Volunteer

CommonAccord.org

Contributor, (Apr. 2015 – Jan. 2016)

CommonAccord.org aims to eliminate inconsistency in law by creating a decentralized data model for a digital common law. Contributed legal clauses that are then made into interoperable programmable objects.

Education

- *Benjamin N. Cardozo School of Law – Yeshiva University*, Juris Doctorate (2005).
- *University of Wisconsin-Madison*, Bachelor of Science: Anthropology (1999).
- *Bar Admissions*: New York & Connecticut.
